Éminence de Bijou 2022 IGP Coteaux de Béziers

ORIGIN IGP Coteaux de Béziers

VARIETIES Chardonnay (100%)

SOIL Calcareous Clay & Limestone

SITE Two selected parcels of vines between the river Orb and the basin de Thau providing the grapes with moderating effect which helps to retain the level of acidity in the grapes.

VINIFICATION The grapes are harvested in the early hours when temperatures are coolest (between 4am and 8am) in order to maintain balanced acidity levels. Grapes are destemmed upon arrival to the winery. No skin contact to avoid harsh flavours. Malolactic fermentation is allowed for 20% of the wine followed by the fermentation in French Oak to add extra texture and body to the final wine.

TASTING NOTES Eminence is a complex and layered wine. This wine offers bright aromas of lime and green apple layered with vanilla and caramel notes from the oak. The rich flavours of the wine are perfectly balanced by refreshing and crisp acidity. The finish is lingering and smooth.
